Kids September 6th, 2020

Hey Parkway students! I hope that your first day back to school was totally awesome!! My buddies Lily and Kaitlyn had a fantastic back to school start! Getting back into the routine of school can be challenging, considering that we had the longest March break EVER!

When I was in school I loved learning new things. Science class was probably my favourite subject, because you got to try new things and sometimes make things explode! I LOVED making volcanoes! That was so much fun! The part that I found hard about school was making new friends. I didn't have a lot of friends, and sometimes I got bullied. Other animals would make fun of my big nose and that really hurt my feelings. I became very insecure about my appearance, and I kept to myself most of the time at school. But Jesus has really helped me to overcome this area of my life. The bible says that I am "fearfully and wonderfully made and that his works are wonderful." I find it reassuring how Jesus created me! I am a wonderfully made child of God!

So, kiddos I want to challenge you today to be KIND to each other as you begin this school year. Be friends with the children who might look different from you, who play by themselves at recess, and who may not be the popular kids in your class. Remember that Jesus created them, just like he created you! God loves all of his children and we need to remember to show God's love to one another!

Bible reading

Psalms 139: 13-17

- 13 For you created my inmost being;
you knit me together in my mother's womb.
- 14 I praise you because I am fearfully and wonderfully made;
your works are wonderful,
I know that full well.
- 15 My frame was not hidden from you
when I was made in the secret place,
when I was woven together in the depths of the earth.
- 16 Your eyes saw my unformed body;
all the days ordained for me were written in your book
before one of them came to be.
- 17 How precious to me are your thoughts,^[a] God!
How vast is the sum of them!
